

Policy # 800-5

Adopted Date: March 2004

Revised Date: December 2020

Meeting Rooms Policy

The primary purpose of the meeting room(s) at the Seymour Library is for library activities, including programs and fundraising events presented by library staff, the Friends of the Seymour Library and/or other organizations affiliated with the Seymour Library.

When not needed for library purposes, meeting rooms are available for use by non-profit organizations, government agencies and community groups for educational, cultural, informational or governmental/civic activities and may include public lectures, panel discussion, workshops and other similar functions. Programs must not be disruptive to the operation of the Seymour Library or its patrons.

Use of meeting rooms does not imply the library's endorsement of the organization's beliefs or activities. Organizations may not imply that an event or meeting is sponsored, co-sponsored or endorsed by the library in any advertising or publicity. Except as a designation of location, the name of the library may not be used in any publicity related to the use of meeting rooms, nor may the library's telephone number be placed on any publicity.

The Seymour Library does not charge for the use of its meeting room(s)

If the Seymour Library is closed due to weather or like emergency, the meeting room(s) will also be closed.
